

SIMULATE THE ENTIRE CALL PROCESS WITH  
**SimRig® in Your Classroom**

(877) 593-6011 | [DiaMedical.com](http://DiaMedical.com) | [SimRig@DiaMedical.com](mailto:SimRig@DiaMedical.com)

**Spatial Awareness**

SimRig® teaches students to provide lifesaving care within the confines of an ambulance.

+

**Train Anywhere**

Mobile SimRig® can be trailered & moved to multiple locations to enhance realism while training.

+

**Facilitates Group Learning**

SimRig's® open design & HD camera system facilitates instructor & student observation.
